# Company Introduction

**Albrich**  
**江苏奥布瑞纺织有限公司**  
**Jiangsu Albrich Textile CO.,LTD**

**Jiangsu Albrich Textile Co., Ltd.** – A leading synthetic leather innovator based in Jiangsu, China, with **30+** years of expertise. Leveraging the region's complete leather industry chain, we operate as an integrated manufacturer-trader, ensuring seamless control from R&D to production.

We produce faux leather can be used for automotive interior, furniture, decoration, bags, apparel etc. We are constantly committed to developing **functional leather**, such as flame-retardant, anti-bacterial, anti-radiation etc. Beyond supplying premium materials, we co-create value-added products with global partners.

Our successful co-development projects include:

- ✓ Premium pillowcase collections
- ✓ Automotive pet bed solutions
- ✓ Self-adhesive DIY leather
- ✓ Car neck pillows & accessories

These achievements demonstrate our "Material Innovation + Product Development" approach, helping clients:

- Expand product lines by 30%+
- Increase profit margins by 15-25%
- Accelerate market response by 40%

Welcome to cooperate with us. Let's work together to develop new products and achieve our corporate mission: **Albrich, all be rich.**
